WORK HISTORY

Lead CT Scan Technologist - Downstate Diagnostic Laboratories

10/2010 to Current | Normal, IL

- Facilitated positive care experience for patients, establishing rapport and applying interpersonal skills resulting in reduced anxiety and better cooperation
- Demonstrated financial responsibility and accountability through proper use of resources in daily procedures, processes, and practices as well as inventory/supply management while staying within or under budget.
- As project manager, developed and implemented innovative process improvements, work practices and equipment changes, streamlining operations and increasing productivity.
- Supervised the CT department, maintaining quality control standards (QA) and biannual IAC department accreditation.

Radiologic Technologist - BroMenn Medical Center

12/2009 to 10/2010 | Normal, IL

- Demonstrated teamwork by working several different shifts, lengths ranging from 8-12 hours.
- Collaborated with multiple departments, facilities, and physicians to provide excellent patient care.
- Completed all written and electronic documentation, addressing any discrepancies in a timely fashion.

Customer Service Representative - State Farm Insurance Inc

05/2006 to 12/2007 | Bloomington, IL

- Maintained customer satisfaction with forward-thinking strategies focused on addressing customer needs and resolving concerns.
- Documented customer interaction details electronically to track requests, report problems, and record solutions offered in a fast-paced environment.
- Answered constant flow of customer calls with up to 20 calls in queue per minute.
